1. What criterium to follow: age, level or subject master? Can be adjusted to any age and level as there is flexibility and further development possibilities.
2. SUMMER CAMP will be our piloting phase.
3. Instruction booklet by the end of May.
4. We want to test as many as possible. The choice will be that of teachers and circumstances: weather, availability of materials, PC and Internet access.
5. How we organise the SUMMER CAMP:

- **Visiting teachers:**
 - choose the activities they want to test/try out,
 - inform the Coordinator and have it approved ,
 - send a list of materials you will need to your Host / 2 weeks before SUMMER CAMP
 - conduct the activities
 - fill in the ACTIVITY CHART (will be provided)

- **Hosting organisations:**
 - prepare badges for all participants with PLEASE logo
 - organise the group/s (the same people or different?)
 - organise facilities
 - organise tea break/drinks
 - invite sb from local press / dissemination/
 - take pictures or mini-videos
 - prepare SUMMER CAMP CERTIFICATES for participants (example will be provided)
 - a list of participants with names and signatures **every day**

Teachers and hosts – organise a party on the last day (ask parents for help in preparing food ??).

- How many hours per day? 90 min + tea/coffee break + 90 min ???? (all expenses are permitted)
- How many activities? Depends on the character of the activity.
